**Arizona Interprofessional Practice
and Education Conference**

Teamwork and Collaboration for a Healthier Arizona

hosted by ATSU and the members of the Arizona Nexus
in collaboration with the Arizona Geriatrics Society*

Registration now open!

A.T. Still University

Jack and Jamie Learning Center
5835 E. Still Circle, Mesa, AZ 85206

April 20-21, 2018

This conference is for all healthcare practitioners, administrators, faculty, and students to exchange best practices and state-wide innovations in interprofessional teamwork and collaboration to improve patient care and outcomes.

Conference objectives

1. This conference aims to draw together, practitioners, administrators, educators, researchers, and students with the shared goal of creating a healthier Arizona through collaboration and teamwork.
2. The workshop format of this conference is intentionally designed to provide opportunities for practitioners, administrators, educators, researchers, and students to learn with, from, and about one another through active participation.
3. To provide opportunities to share examples of successful efforts to enhance collaboration and teamwork in both practice and education across the state
