30th Annual Fall Symposium
Friday and Saturday
November 30, and December 1, 2018
Phoenix, Arizona

Dear Supporter of Continuing Geriatric Education:

The Arizona Geriatrics Society annual continuing education conferences offer the opportunity to reach geriatric healthcare professionals from across Arizona – physicians (MD/DO/NDs, geriatricians, family practitioners, internists, hospitalists, ANPs, etc.), Medical Directors, NPs, PAs, nurses, social workers, pharmacists, case managers, therapists, long-term care and assisted living facility administrators and chaplains – all of whom are providing geriatric healthcare for older adults in Arizona. Our members span the fields of geriatrics and gerontology; inpatient and outpatient; home and community-based; social services; residential, skilled nursing, and assisted living facilities; financial services; elder law; governmental agencies; and universities.

Sponsors and exhibitors of our annual continuing education conferences gain access to the largest interprofessional gathering of healthcare geriatric and gerontology professionals in Arizona. Each year healthcare professionals gather to network, learn, share their expertise, and support each other at AzGS conferences. Being a sponsor and/or exhibitor offers unique opportunities for your organization to network, market and advertise, and boost your visibility. Your support makes AzGS conferences possible.

Thank you for your support of the Arizona Geriatrics Society!
