

AzGS 2018 Education Committee Member

As a medical social worker, Paige has extensive experience in diverse health care settings including pain and palliative medicine, acute care, long term care, adult day care and case management. In her role as a clinical educator and consultant, Paige gives workshops and seminars in a variety of settings on topics such as clinical operations for the interdisciplinary team, facility systems and operations, advance directives, end-of-life care, bio-psychosocial assessments, federal and state regulations, admissions and discharge planning. She is skilled at inspiring staff to critically evaluate their own organizations and then gives them the resources and guidance to make necessary changes.

Paige was instrumental in the development of the TLC HealthCare™ Pain & Palliative Medicine Practice and holds membership in the American Medical Directors Association and the National Association of Social Workers. Paige earned a Bachelor of Social Work and Sociology degree from Nebraska's Wesleyan University, a Master of Social Work degree from Arizona State University and is licensed in the state of Arizona.
